

Northants Schools Multi Events Championships
May 2008

Charlotte Bowling was in top form when she won the Inter Girls title at this year's Northants Schools Multi Events Championships.

She got her campaign off to a solid start at Corby's Rockingham Triangle when she clocked 12.2 over the 80m hurdles to place second to Champion's Charlotte Burrows (12.0). In the next discipline she maintained second with a clearance of 1.47m in the high jump when just edging ahead of Burrows (1.44m) as her Prince William school colleague Daniella Hankins took the lead with a superb clearance of 1.65m. Hankins maintained the lead after her long jump of 4.89m but Bowling narrowed the gap with an excellent leap of 5.19m.

In the penultimate event – the javelin – Bowling took the lead for the first time with a throw of 23.09m to hold off Burrows (28.14m) with Hankins slipping to third. A time of 2.41.1 was good enough for Bowling to take the crown with a points total of 2876 with Burrows (2.44.7) just holding off Hankins (2.41.7) to take the silver by 25 points.

Sam Baker led all the way until the final event in the Junior Boys event. Sadly for the Bishop Stopford student the final event – the 800m – wasn't one of his strongest and he just finished outside the medals in fourth place. Lee Melotti (William Parker) took the title ahead of Fraser Ryan (Northampton School for Boys).

In the corresponding girls' event Guilsborough School filled the top two positions as Charlotte Davies led all the way to finish ahead of Zena Francis (1904) with Champion's Lauren Parslow third on 1881.

Davies registered a winning points total of 2219 thanks to a solid performance which saw her clock 12.1 in the 75m hurdles, clear 1.32m in the high jump, putt 7.85m in the shot, long jump 4.32m and record 3.01.3 over 800m.

Another convincing winner was Mereway's

Themba Luhana who scored 2683 in the Inter Boys age group. He opened with a long jump of 6.15m before throwing 20.51m in the discus, clocking a slick 13.3 over the 100m hurdles, clearing 1.63m in the high jump and then registering 5.21.7 over 1500m.

Latimer's Tom Berry, whose best event was his 14.4 clocking over the hurdles, amassed 2540 points to take the silver well ahead of bronze medallist Chris Franklin (William Parker).

Brooke Weston's Jack McShane easily won the senior title with 2476 points ahead of the Northampton School for Boys pair of Tom Clarke (1866) and

Matthaus Marriott (1743). His best performances came when he recorded 15.6 in the 110m hurdles and threw 35.65m in the discus.
