27th/28th May 2007
Bedford

Matt Bell produced the best performance by a county athlete when he finished sixth in the hammer at this year's UK Inter Counties Track & Field Championships.

The meeting, held in wet and cold conditions over two days at Bedford, saw Bell, a life member of Corby AC, throw 59.90m to finish sixth. In the competition in which Bell said he never really got going, Greater Manchester's Mike Floyd took the title with 67.74m from Andy Frost (Hampshire) who threw 67.48m.

Corby's Sean Taylor returned times of 11.15 and 22.12 in the 100m and 200m heats respectively.

Lauren Boyd's putt of 9.77m placed her 14th in the shot contest while her Corby club colleague Sarah-Anne de Kremer – representing Leicestershire – threw 38.56m for tenth in the javelin.
