

## Winter Handicap 1

The opening round of the Corby AC winter road handicap series, which was held over its customary two mile two lap course at the town's Earlstree industrial estate, was well supported with 53 runners turning out.

In the Under-15 race Thomas Havler got the better of the handicapper when he came home a clear winner. He finished ahead of Alison Curtis with Flora Londen taking third spot. The fastest male time on the night of 12.18 came from Jasper Larken while the next quickest were Sam Furey (12.35) and Daniel Diver (12.48).

Celine Bangay with 12.34 was the fastest female ahead of Abigail Morrow-Harris (12.55) and Holly Bevins (13.25).

The Over-15 race was also well spread out when Marc Gummer finished well ahead of Scott Magee with Tanya Tierney just holding off the fast finishing Gordon Lee to take third place. But Lee did record the fastest male clocking when the 41-year-old ran a nippy 9.38. Danny Keating ran well to register the second quickest with 10.33 while third fastest with 10.46 was Chris Curtis. Mairead Rocke returned a fine time of 11.55 to achieve the fastest time by a female while also performing well with times of 13.21 and 13.24 were Timea Latinovics and Hayley Veasey respectively.
