

Young Athletes League

Match 4 21st June 2009

Despite home advantage Corby AC's failure to fill all the events resulted in them recording their worst position in the current campaign of the McCain's National Young Athletes League.

After three straight victories the Rockingham Triangle outfit were fourth in the penultimate round of the Midland One East meeting which was won by Royal Sutton Coldfield from Leicester Coritarians.

Showing top form for Corby in the Under-17 Men's section was Ross Davies who won the 400m in 53.3 from Tipton Harrier Dan Jones (53.8) after earlier in the day taking the 200m in 23.8. Gary Wong (100m) and Garnett Walters, who equalled his best of 1.85m when winning the high jump from Tipton's Kenroy Gray (1.80m), were the other Under-17 winners.

Despite adding over a metre to his hammer lifetime best with 51.39m, Sam Foster found himself up against a formidable opponent in Tipton's Chad Rhodes, whose winning effort of 51.89m was also a personal best.

Charlotte Bowling was in exceptional form in the corresponding female section when she recorded a fine treble. She landed a sprint double with times of 26.1 in the 200m and 12.8 over 100m and in between ran a slick 12.3 to take the 80m hurdles.

Lucy Hatton was equally impressive in the Under-15 Girls' age group when she clocked a hand timed best of 26.0 to win the 200m before increasing her legal best to 5.16m when taking the long jump.

Other successes in that age group came from Emma MacFarlane (75m hurdles) and Katie Fowler in the discus and javelin.

Jasper Larken did well in the Under-15 Boys' category when coming out on top in the 100m while Scott Kendall threw 39.64m to take the javelin and also performed well in the shot when putting 11.58m for second place behind Leicester's Sonny Murphy (11.73m).

In the Under-13 Boys Jason Wong with victories in the 100m, 200m and long jump was another treble winner for Corby while in the corresponding girls' section Helena Keenan and Georgia Bevins showed good form over 800m. Keenan sliced two seconds from her best when winning the 800m in 2.35.4 while Bevins reduced her best by three seconds to take the B race in 2.36.4.
