

Folksworth 15 mile road race
18th January 2009

Troy Garrity produced a strong finish to clinch fourth place in the annual Folksworth 15 mile road race. The race was held over a two lap course at Peterborough on a sunny but chilly day and the Corby AC runner was holding down ninth place in the early stages before he moved through with his fastest splits coming in the final couple of miles when he overtook Huntingdon's former winner Peter Galpin (fifth in 1.29.22).

He crossed the finish line in 1.28.49 behind Bedford Harrier Tony Dadd (1.28.21), Cambridge's Nick Beer (1.26.11) and Neil Addison (Shaftesbury) who returned a winning time of 1.23.18.

Also performing well was Corby's Kym Wheeler, who finished top veteran-50 when coming home 16th overall in 1.54.30.
