

Last weekend's 59th Northamptonshire Track & Field Championships at Corby's Rockingham Triangle was a huge success for this side of the county with Corby AC securing 38 titles, Kettering Town Harriers 28 and Wellingborough & District AC at last making an input with ten.

Corby's strongest age groups were the Under-17 Ladies, with six titles and the Senior and Under-20 Men who took five apiece.

The Corby multi-event trio of Katy-Louise Payne, Elycia Metaxas-Belt and Lauren Boyd all took titles in the Under-17 Ladies age group. Payne raced to a slick win in the 80m hurdles with a respectable clocking of 12.3 and won a good class discus competition. She threw 33.75m in the fifth round to defeat Metaxas-Belt whose best effort landed at 31.99m. But Metaxas-Belt did get the better of Payne when she lifted the high jump title with 1.54m while Boyd's gold came when she putted 10.01m in the shot. Vicky Hockridge also won two titles for Corby when taking the long jump and triple jump.

Lauren Morrow with 43.7 won the 300m for Kettering but was powerless to stop Rushden's Kerry Salter from logging a sprint double.

Kettering dominated the middle distance with Nikki Pell coming through strongly in the 800m to win the title in 2.21.3 while runner-up Hayley Munn came back to achieve a convincing victory in the 1500m in 4.49.6.

All round sportsman Paul Webster, who has also played a good level at rugby and cricket, was rewarded for his first committed hard winter's training when he dipped inside the 11 second barrier for the first time with a determined 100m victory in 10.9. His run was a far cry from 12 months ago when he took the silver in 11.4. The previous day he won the 200m (22.6) while also making the podium was fellow Corby Senior Mark Allen, who registered a fine shot (16.13m) and discus (49.38m) double – the former being a new meeting record. He came under pressure from the Kettering-based Matt Twigg (Rugby & Northampton AC) in both events as the pair produced throwing of good national standard. The runner-up, who went into the day as the holder of both events, threw marks of 15.69m and 48.32m.

Giving Wellingborough & District AC its first Senior track title was Stuart Nelson, whose front-running performance saw off the opposition in the 5000m while Ashley McClintock took the 400m for Kettering.

Corby's David Foster won the Senior hammer with 43.85m but just lost out in the Under-20 event to R&N's Luke Hyland (49.82m).

Corby's hero in that age group was English Schools 200m champion Sean Taylor who, in a thrilling confrontation with Nigel Levine, just came out on top in both sprints when defeating the Higham Ferrers' lad by one tenth of a second in each race. After clocking 22.0 over 200m he returned the following day to set a new championship best of 10.8 in the 100m.

Foster with wins in the shot and discus and Lee Czornyj (long jump) were Corby's other winners in this age group while Simon Potticary in the 400m hurdles, triple jump and javelin took gold for Kettering.

The best age group for Kettering was the Under-13 Girls where they picked up five gold medals with Beth Horsley being responsible for two of them. Going into the final three rounds of the long jump she was tying with fellow Harrier Alice Chapman when the pair both leapt 4.03m in the third round. However, her fifth round effort of 4.09m clinched the title to add to the one that she had won the previous day when she took the 200m from Chapman (28.4) in a new county record of 28.2. Chapman did however get her revenge when she won the 100m by one tenth of a second from Horsley in 13.6 after equalling the meeting record with 13.5 in her heat.

Niamh Bailey, who defeated club colleague Amy Daniels on countback in the high jump and Georgia Sherlock in the 1500m secured the Harriers' other successes. A fine front running performance from Bethany Smyton over 800m and Rachel Casswell (javelin) took gold for Corby.

Nicole Roberts smashed two long standing records in the Under-15 Girls' age group with superb victories in the 800m (2.18.2) and 1500m (4.47.0) while Daniella Hankins made it three titles for Kettering in this age group with her high jump victory. Rebecca Taylor with 4.53m in the long jump and Rachel Tyler, who threw a useful 29.00m in the discus, both won for Corby.

Underlining Corby's strength in the throws was Daniel Sharkey, who took the hammer and javelin and Andrew Morgan the discus in the Under-15 Boys' age group plus Sam Foster, who recorded a treble in the Under-13 Boys'. Jason Underwood, who set new meeting figures with 15.4 in the 75m hurdles, was the club's other winner in this section while George Cann won the long jump for Kettering.

The Corby duo of John Bell and Matthew Knibb came away with two golds each in the Under-17 age group. The former registered a sprint double while on the field Knibb's victories came in the hammer and javelin. James Greenaway, competing for Bishop Stopford, found a putt of 10.70m good enough to clinch the shot title.

Winning the most titles of the weekend was Wellingborough's Dannielle Tee who dominated the Under-11 Girls' events when taking all five available titles while in the opposite Boys' age group Kettering's Jamie Percival achieved three (150m, 600m and long jump) with club colleague Edward Cherry coming away with one – the 1200m.

As expected Sian Edwards won the Under-20 1500m (4.34.4) but had to concede defeat to fellow Harrier Rebecca Hall (2.17.8) over 800m. Also competing well for the club was Gemma Elliott who won the 400m in 59.7 and Harriet Laskey, who threw 31.65m for victory the javelin.

Corby's Rachel Backhouse with 37.29m broke the meeting record in the discus and for good measure recorded Corby's other two wins (hammer and shot) in this age group.

Denise Barclay ran a nippy 12.2 to take the Senior Ladies 100m the day after winning the 200m in 26.4 while Louise Granger (shot and discus) made it four victories for Kettering.

On the Veteran side Corby's Tony Wells (100m and 400m hurdles) and Wilson Paterson of Wellingborough (200m and 400m) both won two track titles each while Cransley's Dave Folgate (long and triple jump) and Corby's Mick Young (shot) took the field events.

Timea Latinovics of Wellingborough (400 and 800m) and Corby's Cathy Oram (1500m) were the female winners.
